

## **Important Company Policies for a Successful Relationship**

We strive to provide you the best personalized care available. To make this possible we adhere to a set of very important guidelines. Please read them carefully.

### **Late Policy "10-minutes"**

Being late by more than 10 minutes will require you to either reschedule or wait for the next available opening. There are no guarantees since openings due to cancellations are unpredictable. We do not allow appointment overlap because this undeservedly compromises the care of another patient.

### **24-Hour Advance Notice Fee**

If you wish to change or cancel an appointment we require a minimum 24- hour advance notice. Anything less will result in a \$50 fee charged to your account. It costs us money to make appointments available to you. Whether you attend or not we still accrue the expenses (for staff wages, rent, etc.). We don't charge you the actual cost for that appointment but rather a mere \$50 fee. We do NOT make money with this charge; it's only to act as a deterrent from making last minute changes. Advance notice allows someone else (who needs it) time to reserve it in place of you. Please be courteous and responsible. The \$50 fee will be due at the time of your next appointment and must be paid prior to treatment. We reserve the right to move patients to same day scheduling after two occurrences of 24-hour advance notice not being provided. Thank you.

### **Copays/deductibles are due at time of service.**

### **No-shows are bad**

If you fail to show for an appointment without notice all future appointments will be removed and a \$50 fee assessed to your account. The \$50 fee will be due at your next appointment prior to treatment. You may re-schedule appointments again on a "first come, first serve basis".

### **Cell phones must be shut OFF or silent.**

We realize emergencies may arise and therefore allow you to carry your cell phone during your session, however, please be courteous and set to silent mode or turn off. Thank you.

### **Children requiring supervision are NOT allowed to attend sessions with you.**

Unless your facility offers child care services you may not bring children who require supervision with you to your appointment. If your child does not require supervision and is capable of waiting for you quietly then you may bring them. If any disturbance is caused to other patients or staff members you maybe asked to terminate your session early and attend to your child.

### **Financial Hardship**

If you are experiencing financial difficulties and are unable to afford the cost of our services we have a "Financial Hardship Form" which may be filled-out. If you qualify for financial assistance according to the Federal guidelines, we may legally assist you by waiving or discounting your (patient responsibility) portions of the bill. Ask the front desk person for assistance.

### **Important Notice from the Federal Government:**
